PROFESSIONAL EXPERIENCE

IEEE YOUNG PROFESSIONALS BOMBAY SECTION, MUMBAI, INDIA
DECEMBER 2022 - FEBRUARY 2023
Full Stack Developer Intern (Remote)
- Elected as Team Leader by both senior and junior team members to steer the project's direction and ensure timely completion.
- Managed Frontend Development: Spearheaded the design and layout, leveraging Figma for the first time to create website interfaces.
- Rapid Learning & Adaptation: Adapted to unfamiliar tools and design principles, reflecting a keen ability to learn and apply new skills in real-time project scenarios.
- Certification: Received a certificate of Completion and Letter of Recommendation

AKUDO, BENGALURU, INDIA
SEPTEMBER 2021 – JUNE 2022
Brand Ambassador & Community Management Intern (Remote)
- Promoted to Leadership Role: Transitioned from an initial brand ambassador position to leading a team of ambassadors, assigning tasks, and ensuring alignment with brand objectives.
- Indirect Marketing Initiatives: Strategically engaged on competitors' social media platforms, promoting Akudo through positive comments and interactions to capture a broader audience.
- Community Management: Spearheaded Akudo's Discord server, organizing and hosting events, fostering engagement, and maintaining active communication with the online community.
- Collaborative Testing & QA: Worked alongside a team of interns to conduct final testing of the Akudo app, identifying and reporting bugs to ensure a seamless user experience.
- Collaborative Team Environment: Partnered with other interns to effectively manage and execute diverse responsibilities, ensuring the brand's consistent representation and growth.
- Certification with monthly stipend

PROJECTS
